DECLARATION of personal ability

I declare:

- to be healthy and able for spearfishing competition and on this competition I participate on my own risk
- I'm not aware that I have had acute or chronic heart disease, respiratory system, ears or other diseases that would prevent my participation in the competition
- I do not take medicines that could cause difficulty during diving or limit my skills in any way during competition
- I am aware of the risks and dangers that diving and spearfishing bring as well of the safety measures adopted by the organizers
- if I feel psychologically unsuitable for the competition, I obligate myself to immediately inform the official doctor, referee and organizer of the competition
- I commit to respect the rules of the competition and the rules of the implementation of the spearfishing competition and I commit to respect the decisions of the referee and the competition committee.

By signing this declaration I assume complete responsibility for the consequences or damages which could occur upon arrival, departure and during participation in this competition, and therefore I won't demand responsibility nor indemnity from the organizers, hosts or any individuals involved in organization of the competition.

STATEMENT

On the consent of publishing and processing personal data for the purpose of performing on the 4th Istrian spearfishing cup.
